**Mission Statement**

**To inspire volleyball  
enthusiasts to be their best,  
compassionate selves.**

## Hi there, we're SoCal Volleyball Club!

In 2003, we were faced with a common challenge. We couldn't find a volleyball program that struck the right balance between competitiveness and kindness for our family and friends. Determined to provide a unique experience that combined world-class training with a supportive and inclusive environment, we decided to take matters into our own hands and established SoCal Volleyball Club.

Over two decades later, it seems we were on the right track — and we're thrilled to have you be a part of it.

### Scott & Aimee

Owners/Directors

### Our Partners:

Find out what makes us unique →

My daughters have been coming to this club for two years, and not only have their skills improved, the club provides a great place to associate with great people. The coaches and staff are first class, and the families we have met all make you feel like you're part of something special.

**Ron C.**  
Parent

## We connect families who "get it."

We attract members who understand and value the transformative power of sports on children's character development.

Members who foster a supportive and uplifting environment for every athlete, acknowledging that each person has their own aspirations and developmental timeline.

Families who wholeheartedly support the team and understand that there will be both challenging obstacles to overcome and exhilarating victories to celebrate together.

Families who work hard and stay humble.

If this sounds like you and your family, you'll have a great time here.

Our Coaching Team →

## Coaches who see the big picture

With a degree in Education from UC Irvine, Aimee is insistent on hiring and training coaches who share a deep passion for teaching. A SoCal coach goes beyond simply imparting knowledge of the sport; they are effective communicators who understand their role is to invest in their athletes' long-term development and success.

Meet our coaches and read their bios at: [socalvbc.com/staff](https://socalvbc.com/staff)

## People helping people

Our Member Support Team is a dynamic group of individuals, each bringing unique skills, expertise, and personality to create an exceptional experience for our members.

They continuously seek ways to enhance your experience by listening to your feedback and implementing improvements that make a real difference.

### **Meet the team (left to right from the top):**

Kristin, Front Office Manager

Alli, Assistant Coaching Director

Sherry, Local Director

Tati, Operations Manager

Mike, Facilities Manager

Linda, Store Manager

Lauren, Housing & Grant Coordinator

Ben, Member Finance Coordinator

Audrey, General Manager

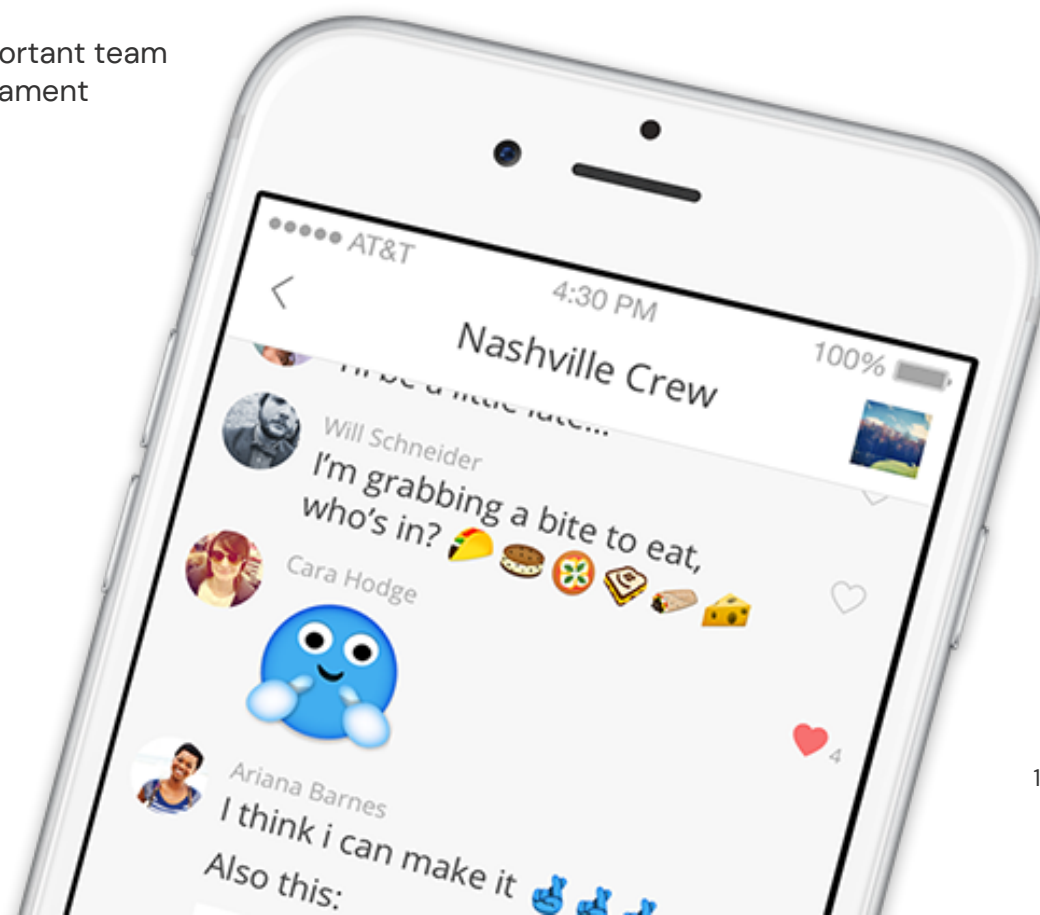

## You're in the loop

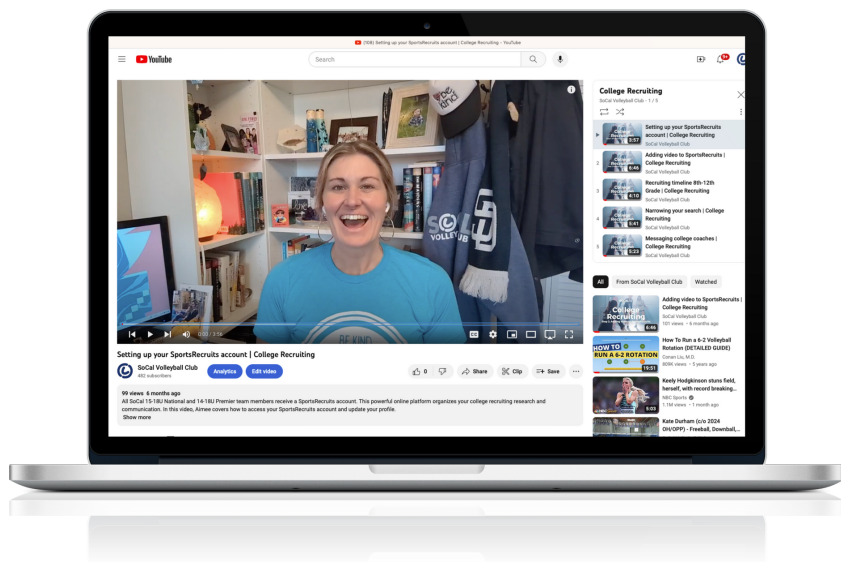

We understand that our members lead busy lives, so communication is our top priority. Each team has a GroupMe group chat for easy collaboration between coaches and families.

We also send a weekly email with important team news, like upcoming events and tournament schedule updates.

Learn more and download the app at:  
[socalvbc.com/groupme-tips](https://socalvbc.com/groupme-tips)

## Specific guidance for your program

We've created a comprehensive video library to guide you through the season. These videos cover many topics specific to your program, including preparing for your first week of practice, player and parent rules, understanding SCVA tournaments, and much more.

[View Regional Playlist](#)

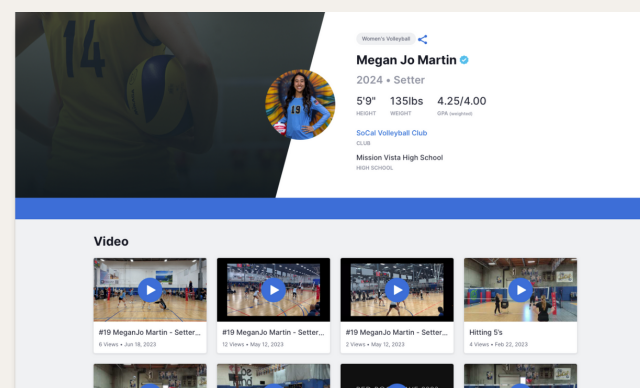

[View National Playlist](#)

[View Premier Playlist](#)

## College recruiting tools

For our National and Premier high school teams, we provide valuable resources such as a SportsRecruits profile and dedicated assistance for college recruiting. You're in the driver's seat if you want to play at the collegiate level.

[Find Aimee's recruiting advice here →](#)

## Leading by example

As a non-profit, we organize annual community service projects and events. These include an inclusive holiday-themed intra-club tournament, a local vendor fair, North County Food Bank fundraisers, fulfilling holiday wishlists for children and young adults at a nearby crisis center, and a Cornhole Fundraiser Tournament.

Facility →

## Award-winning training center

We take pride in offering our members a world-class training experience in our exceptional 20,000-square-foot facility.

We have created a space that caters to the needs of our athletes, providing them with the ideal environment for honing their skills and reaching their full potential.

## SoCal Athletics Store

Our on-site and [online pro shop](#) is a one-stop destination for all your volleyball gear needs. Whether you require new jerseys, shoes, kneepads, or accessories, the SoCal Athletics Store offers a wide selection of high-quality products from leading brands ensuring top performance and comfort on the court.

## The Peace Cafe

Our facility features a café that runs on the honor system. Add money to the box or pay with Venmo, and grab a quick snack or a refreshing beverage. Additionally, we provide seating areas with complimentary Wi-Fi where parents can relax, enjoy the action, and connect with fellow members.

## Vans

Teams have access to the SoCal Vans for carpooling to tournaments and team bonding events. Parents, let your coach know early if you're available to drive a van for a team event — the schedule depends on availability.

## Live-streaming

We want families to be part of the action, even if they can't attend events in person. Parent volunteers live stream matches on [our Facebook page](#). And you can watch practices at [socalvbc.com/socal-live](https://socalvbc.com/socal-live) (Password: behind)

## Volleyball-minded sports performance & physical therapy

We are thrilled to collaborate with Physical Therapist Gwen Alden and her HealthWest Therapy and JG Performance Fitness team to offer comprehensive wellness programs at our training center, including year-round sports performance training, adult fitness classes, and professional physical therapy services.

With a dedicated team of experienced strength and conditioning coaches, athletes can improve their on-court performance and prevent injuries. Moreover, Gwen and her team of skilled physical therapists provide specialized care for overuse and acute injuries in athletes and adults.

Meet Gwen and learn more at:  
[healthwesttherapy.com](https://healthwesttherapy.com)

## Reduce, Reuse, Recycle

### Reducing food waste

Every Friday, we receive baked goods from Costco, which we share with our members for free. We also encourage participants to donate their extra fruits and vegetables by placing them in the designated bins.

### Cutting back on single-use plastics

We've installed a filtered water bottle filler so athletes, visitors, and staff may refill their reusable water bottles, promoting the reduction of single-use plastic bottles.

### Accepting gently used SoCal apparel

Members are welcome to donate gently used SoCal apparel they no longer use to the SoCal Store. This reduces clothing waste and provides affordable options for individuals seeking high-quality gear.

### Going digital when possible

We've significantly decreased paper usage by adopting digital alternatives, such as electronic documents (like this pdf!), online communication, and electronic storage systems. Since moving to paperless registration, we've saved over 250 gallons of water and 80 pounds of wood!

### Renewable energy

Finally, we were the first volleyball facility in North County to install solar panels. [Track our energy performance →](#)

SoCal VBC, thank you for your ceaseless love and support. I am the person and player I am today because of the experiences you have given me and, more importantly, the people the club has brought into my life.

**Makena T.**  
Class of 2023

# 2024 Season Details

Tuition, schedules, uniforms and more →

## Our tryout & registration process

We follow these tryout procedures and timelines set by the SCVA →

### **Step 1: Attend tryouts**

Attend tryouts where our experienced coaches will assess player skills and match them with teammates of similar abilities.

### **Step 2: Officially secure your spot online**

The SCVA opens the registration and document submission window at **8:00 am on July 23rd**. After this time, we will email you your team assignment and directions to complete your SCVA e-forms and submit your tuition deposit in Sawyer. Extended delays in item submission may result in your spot being offered to another family.

### **Step 3: Get fitted for your uniform**

Your mandatory uniform fitting session is **Saturday, July 29th, between 10 am–4 pm**. Fittings take about 20 minutes. If you're unable to attend, schedule a makeup appointment at: [info@socalvbc.com](mailto:info@socalvbc.com)

### **Step 4: Pay USAV/SCVA membership fee**

Once the SportsEngine membership portal opens, we will email you directions on paying the required \$75 USAV/SCVA membership fee, completing your ref training, and any SafeSport requirements. These items are mandatory to compete in the 2023–2024 season tournaments.

### **Step 5: Celebrate!**

Now that you're officially enrolled, you'll be added to your team's GroupMe Group before training starts!

Tentative 2024 15U Schedule →

## Refer a friend, earn a service credit

It is the greatest compliment when members recommend SoCal Volleyball Club to their friends.

In thanks, we give members a \$150 service credit if they recommend someone new to the club and their new friend joins a team.

This credit is good for camps, clinics, and future seasons' tuition fees. (Sorry, it's not eligible for private lessons, HealthWest/JG Performance Fit services, or physical products.)

Apply for your credit at [socalvbc.com/referral](https://socalvbc.com/referral)

## Let's do this!

Together, let's create a brighter future through character development, kindness, and the joy of volleyball.
